There has been no response to the letters we sent out in April about the air bottles. We went over the application form and will have it ready to submit for the grant from Firehouse Subs soon. We will be asking for \$14,920 to replace the SCBA bottles and material reimbursement costs. Doris will get the application ready and mail it.

On the hall, we haven't heard back from Mr. Stamas yet and Mr. Camp said we should go through Rural Development. We discussed it. If we can't get grant money, we don't want to submit there. Darla will call them. We can request money from the local foundations and federal grants. George will get us registered on sam.gov. We will have a workshop to look for other grant sources at Wanda's house on 6/3 at 10 a.m.

Tom showed us the drawings of the future hall. We discussed some changes that could be made to the interior set up.

The next meeting will be June 25, 2013.

A motion to adjourn was made by Linda and seconded by Tom. Motion passed.

The meeting adjourned at 8:35 p.m.

Respectfully submitted,

Doris French  
Secretary
