Fire Department - We found out that the property east of the current fire barn is out of contention because of the cost. A member of the audience at the board meeting said he would talk to someone he knew at Dow to see about the land across Prairie from it. Doris called Chris Cantrell and left a message for him to get back with her about the GIS location of the township property to see if there is enough land west of the ball diamonds for the fire barn.

Wanda hasn't talked to Tom yet about the mixture of diamond dust and other materials for the diamonds yet. This item was tabled till the June meeting.

Heidi was not here to report on the sign at the corner of 9 Mile and M-20. This was tabled till the June meeting.

Doris will check with Mosquito control about a possible tire drive this fall. Darla suggested she talk to Doug at the compactor site also.

A motion to adjourn was made by Wanda and seconded by Chris. Motion passed and the meeting adjourned at 3:07 p.m.

Respectfully submitted,

Doris French
