A motion to approve the agenda was made by Darla and seconded by Chris. Motion passed.

Fire Barn - We are still waiting for word from the board.

TOWN grant – the board wants us to look for markers and a sign for the cemetery. Doris looked up some marker prices and the board gave us the cost of the sign. We have to find out how many and what kind of markers are needed to determine their cost. We will look for the map of the cemetery or the program to determine the number of markers needed.

Any money left over can be used for the trail at the park. Heidi got information for a half mile trail around the park. She will get estimates of the cost of ballards and pavement for a six foot wide trail for the next meeting.

Used Tires – Heidi passed out pictures of things made from used tires. They can be cut to make different animals that children can climb on and in, a wishing well for flowers or other things. Darla suggested we have the tire drive to help the little league. Heidi will get information on that.

Doris will get the information together and get a meeting with the MACF people to get the grant application started.

The next meeting will be August 1, 2017 at 2 p.m.

A motion to adjourn was made by Chris and seconded by Heidi and the meeting adjourned at 3:20 p.m.

Respectfully submitted,

Doris French
