Grant interim report: Doris will submit the article for the newspaper that was approved by the committee. We went over the questions for the report and Doris will type them and submit the report. Heidi will give her the human interest story to include with the report.

Scrap Tire Drive: Darla will check with DNR and Chris will check with DEQ for information on a drive in the spring. Darla will check with Mt. Trashmore and Coleman to see if they will be accepting tires. Another alternative is to have Mr. Bluemer use his truck to haul the tires. Possibly have scouts involved also.
