Survey: We discussed the cost involved with printing and mailing post card style survey information. Printing, postage, labels cost would be approximately \$790. There is a less expensive way to send out the survey. We can use white paper. We can print 1500 surveys and distribute them to churches, day care and schools in the township with instructions where to return them. We can place collection boxes at Floyd school, West Midland Family Center, the hall and they can be mailed to Doris. We may also put a collection box at the fire department. Darla will bring this up at the budget meeting on Monday.

Playscape paint: Heidi reported the rubber base paint costs \$122/gal.

Michigan Baseball Association Grant: Doris went over the previously submitted grant information. She got the cost of the diamond dust. It will cost \$30 a ton plus a delivery fee of \$85. A truck will hold 14 tons. We decided to submit the grant request for \$500 to the association. Doris will type up the grant application and submit it to them by the deadline tomorrow.
