

## **LEE TOWNSHIP**

### **FOIA Procedures and Guidelines**

**2022-01-17-1**

The following written procedures and guidelines implement the Michigan Freedom of Information Act ("FOIA") and will create a written public summary of the specific procedures and guidelines relevant to the general public regarding how to submit written requests to the public body and explain how to understand a public body's written responses, deposit requirements, fee calculations, and avenues for challenge and appeal. The written public summary will be written in a manner so as to be easily understood by the general public.

#### **Section 1: General Policies**

The Township clerk of Lee Township is its FOIA Coordinator. He or she is authorized to designate other staff to act on his or her behalf to accept and process written requests for public records and approve denials.

If a request for a public record is received by fax or email, the request is deemed to have been received on the following business day. If a request is sent by email and delivered to a Township spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note in the FOIA log both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.

The FOIA Coordinator or designated staff shall review Lee Township spam and junk-mail folders on a regular basis, which shall be no less than once a month. The FOIA Coordinator shall work with Lee Township Information Technology staff to develop administrative rules for handling spam and junk-mail so as to protect Township systems from computer attacks which may be imbedded in an electronic FOIA request.

The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and Guidelines to administer the acceptance and processing of FOIA requests.

Lee Township is not obligated to create a new public record or make a compilation or summary of information which does not already exist. Neither the FOIA Coordinator nor other Lee Township elected officials are obligated to provide answers to questions contained in requests for public records or regarding the content of the records themselves.

The FOIA Coordinator shall keep a copy of all written requests for public records received by Lee Township on file for a period of at least one year.

Lee Township will make this FOIA Procedures and Guidelines document and the Written Public Summary publicly available without charge.

A copy of this FOIA Procedures and Guidelines document and Lee Township's Written Public Summary must be publicly available by providing free copies both in Lee Township's response to a written request and upon request by visitors at Lee Township's principal office at 1485 W. Olson Road, Midland, MI 48640.

This FOIA Procedures and Guidelines document and Written Public Summary will be maintained on Lee Township's website at leetownship.org, so a link to those documents will be provided in lieu of providing paper copies of those documents.

#### **Section 2: Requesting a Public Record**

No specific form to submit a request for a public record is required. However, the FOIA Coordinator may make available a FOIA Request Form for use by the public.

Requests to inspect or obtain copies of public records prepared, owned, used, possessed, or retained by Lee Township may be submitted on Lee Township's FOIA Request Form, in any other form of writing (letter, fax, email, etc.).

If requested information is believed to be available on Lee Township's website, the requestor shall be informed of the pertinent website address.

A request must sufficiently describe a public record so as to enable Lee Township to identify and find the requested public record.

Written requests for public records may be submitted in person, by mail, or electronically by fax or email to the FOIA Coordinator. Upon their receipt, requests for public records shall be promptly forwarded to the FOIA Coordinator for processing.

A person may request that public records be provided on non-paper physical media, emailed or otherwise provided to him or her in digital form in lieu of paper copies. Lee Township will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.

A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOIA Coordinator will deny all such requests.

### **Section 3: Processing a Request**

Unless otherwise agreed to in writing by the person making the request, Lee Township will issue a response within 5 business days of receipt of a FOIA request. If a request is received by fax, email or other electronic transmission, the request is deemed to have been received on the following business day.

Lee Township will respond to a request in one of the following ways:

- Grant the request.
- Issue a written notice denying the request.
- Grant the request in part and issue a written notice denying in part the request.
- Issue a notice indicating that due to the nature of the request, Lee Township needs an additional 10 business days to respond for a total of no more than 15 business days.
- Issue a written notice indicating that the public record requested is available at no charge on Lee Township's website.

#### ***When a request is granted:***

If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available.

The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request.

A copy of these Procedures and Guidelines and the Written Public Summary will be provided to the requestor free of charge with the response to a written request for public records, provided however, that because these Procedures and Guidelines, and the Written Public Summary are maintained on Lee Township's website at: [leetownship.org](http://leetownship.org), a link to the Procedures and Guidelines and the Written Public Summary will be provided in lieu of providing paper copies of those documents.

If the cost of processing a FOIA request is \$50 or less, the requester will be notified of the amount due and where the documents can be obtained.

If the cost of processing a FOIA request is expected to exceed \$50 based on a good-faith calculation, or if the requestor has not paid in full for a previously granted request, Lee Township will require a good-faith deposit pursuant to Section 4 of this policy before processing the request.

In making the request for a good-faith deposit the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by Lee Township to process the request and also provide a best effort estimate of a time frame it will take Lee Township to provide the records to the requestor. The best efforts estimate shall be nonbinding on Lee Township but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.

***When a request is denied or denied in part:***

If the request is denied or denied in part, the FOIA Coordinator will issue a Notice of Denial which shall provide in the applicable circumstance:

- An explanation as to why a requested public record is exempt from disclosure; or
- A certificate that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by Lee Township; or
- An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
- An explanation of the person's right to submit an appeal of the denial to either the Lee Township FOIA Coordinator or seek judicial review in the Midland County Circuit Court;
- An explanation of the right to receive attorneys' fees, costs, and disbursements as well actual or compensatory damages, and punitive damages of \$1,000, should they prevail in Circuit Court.
- The Notice of Denial shall be signed by the FOIA Coordinator.

If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines described in this Section.

***Requests to inspect public records:***

Lee Township shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect Township records from loss, alteration, mutilation, or destruction and to prevent excessive interference with normal Lee Township operations.

***Requests for certified copies:***

The FOIA Coordinator shall, upon written request, furnish a certified copy of a public record at no additional cost to the person requesting the public record.

**Section 4: Fee Deposits**

If the fee estimate is expected to exceed \$50.00 based on a good-faith calculation, the requestor will be asked to provide a deposit not exceeding one-half of the total estimated fee, before Lee Township

begins work on the request. Lee Township will provide a detailed estimate with the deposit request. The deposit must be paid to the FOIA Coordinator. If the deposit is not received by the FOIA Coordinator within 45 days deposit due date as outlined in the estimate, the request will be considered abandoned by Lee Township and Lee Township is no longer required to fulfill the request. Upon completion of the work, Lee Township will send the documents with an itemized invoice for any additional expenses over the deposit to the requestor. The final invoice is due within 30 days of receipt.

If a request for public records is from a person who has not paid Lee Township in full for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:

- The final fee for the prior written request is not more than 105% of the estimated fee;
- The public records made available contained the information sought in the prior written request and remain in Lee Township 's possession'
- The public records were made available to the individual, subject to payment, within the time frame estimated by Lee Township to provide the records;
- Ninety (90) days have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
- The individual is unable to show proof of prior payment to Lee Township; and
- The FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request's increased estimated fee deposit.

The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

- The person making the request is able to show proof of prior payment in full to Lee Township;
- Lee Township is subsequently paid in full for the applicable prior written request; or
- Three hundred sixty-five (365) days have passed since the person made the request for which full payment was not remitted to Lee Township.

## **Section 5: Calculation of Fees**

A fee may be charged for the labor cost of copying/duplication. Lee Township, to be responsible with taxpayer dollars, will charge a fee for any record requests which will cost more than \$15 in permissible labor and/or copying costs.

The labor fee will vary depending on the specific request. A fee will **not** be charged for the labor cost of search, examination, review and the deletion and separation of exempt from nonexempt information **unless** failure to charge a fee would result in unreasonably high costs to the Township because of the nature of the request in the particular instance, and Lee Township specifically identifies the nature of the unreasonably high costs.

Costs for the search, examination review, and deletion and separation of exempt from non-exempt information are "unreasonably high" when they are excessive and beyond the normal or usual amount for those services compared to the costs of Lee Township's usual FOIA requests, not compared to Lee Township's operating budget.

The following factors shall be used to determine an unreasonably high cost to Lee Township:

- Volume of the public record requested
- The complexity of the request
- Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested.

- Whether the public records are from more than one Township department or whether various Township departments are necessary to respond to the request.
- Whether the materials are searchable electronically or will require a hard copy search.
- The available staffing to respond to the request.
- Lee Township's fiscal condition.
- Any other similar factors identified by the FOIA Coordinator in responding to the particular request.

The Michigan FOIA statute permits Lee Township to charge for the following costs associated with processing a request:

- Labor costs associated with copying or duplication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- Labor costs associated with searching for, locating and examining a requested public record, when failure to charge a fee will result in unreasonably high costs to the Township.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure, when failure to charge a fee will result in unreasonably high costs to the Township.
- The cost of copying or duplication, not including labor, of paper copies of public records. This may include the cost for copies of records already on Lee Township's website if you ask for the Township to make copies.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media. This may include the cost for copies of records already on Lee Township's website if you ask for the Township to make copies.
- The cost to mail or send a public record to a requestor.

Labor costs will be calculated based on the following requirements:

- All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.
- Labor costs will be charged at the hourly wage of the lowest-paid Township employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.
- Lee Township may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.
- Contracted labor costs will be charged at the hourly rate of \$48.90 (6 times the state minimum hourly wage).

The cost to provide records on non-paper physical media when so requested will be based on the following requirements:

- Computer disks, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will only be assessed if Lee Township has the technological capability necessary to provide the public record in the requested non-paper physical media format.

- Lee Township will procure any non-paper media and will not accept media from the requestor in order to ensure integrity of Lee Township's technology infrastructure.

The cost to provide paper copies of records will be based on the following requirements:

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper. Copies for non-standard sized sheets of paper may be at an additional cost.
- Lee Township will provide records using double-sided printing if it is cost-saving and available.

The cost to mail records to a requestor will be based on the following requirements:

- The actual cost to mail public records using a reasonably economical and justified means.
- Lee Township may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless specified by the requestor.

If the FOIA Coordinator does not respond to a written request in a timely manner, Lee Township must:

- Reduce the labor costs by 5% for each day Lee Township exceeds the time permitted under FOIA up to a 50% maximum reduction, if **any** of the following applies:
  - Lee Township's late response was willful and intentional,
  - The written request conveyed a request for information within the first 250 words of the body of a letter facsimile, email or email attachment, or
  - The written request included the words, characters, or abbreviations for "freedom of information," "information," "FOIA," "copy" or a recognizable misspelling of such, or legal code reference to MCL 15. 231, et seq. or 1976 Public Act 442 on the front of an envelope or in the subject line of an email, letter or facsimile cover page.
- Fully note the charge reduction in the Detailed Itemization of Costs Form.

## **Section 6: Waiver of Fees**

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. Lee Township may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

## **Section 7: Discounted Fees**

### ***Indigence***

The FOIA Coordinator will discount the first \$20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

- Indigent and receiving specific public assistance, or
- If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

An individual is not eligible to receive the waiver if:

- The requestor has previously received discounted copies of public records from Lee Township twice during the calendar year; or
- The requestor requests information in connection with other persons who are offering or providing payment to make the request.

An affidavit is sworn statement. The FOIA Coordinator may make a Fee Waiver Affidavit Form available for use by the public.

***Nonprofit organization advocating for developmentally disabled or mentally ill individuals***

The FOIA Coordinator will discount the first \$20.00 of the processing fee for a request from:

- A nonprofit organization formally designated by the state to carry out activities under subtitle C of the federal developmental disabilities assistance and bill of rights act of 2000, Public Law 106-402, and the protection and advocacy for individuals with mental illness act, Public Law 99-319, or their successors, if the request meets all of the following requirements:
  - Is made directly on behalf of the organization or its clients.
  - Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the mental health code, 1974 PA 258, MCL 330.1931.
  - Is accompanied by documentation of its designation by the state, if requested by the public body.

**Section 8: Appeal of a Denial of a Public Record**

When a requestor believes that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, he or she may appeal to the Township Board by filing an appeal of the denial with the Township Board.

The appeal must be in writing, specifically state the word "appeal" and identify the reason or reasons the requestor is seeking a reversal of the denial. If available, an FOIA Appeal Form (To Appeal a Denial of Records), may be used.

The Township Board is not considered to have received a written appeal until the first regularly scheduled Township Board meeting following submission of the written appeal.

Within 10 business days of receiving the appeal, the Township Board will respond in writing by:

- Reversing the disclosure denial;
- Upholding the disclosure denial; or
- Reverse the disclosure denial in part and uphold the disclosure denial in part; or
- Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the Township Board shall respond to the written appeal. The Township Board shall not issue more than 1 notice of extension for a particular written appeal.

If the Township Board fails to respond to a written appeal, or if the Township Board upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action in Circuit Court.

Whether or not a requestor submitted an appeal of a denial to the Township Board, he or she may file a civil action in Midland County Circuit Court within 180 days after Lee Township's final determination to deny the request.

If the court determines a public record is not exempt from disclosure, it shall order Lee Township to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Failure to comply with an order of the court may be punished as contempt of court.

If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in such an action, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or Township prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements.

### **Section 9: Appeal of an Excessive FOIA Processing Fee**

"Fee" means the total fee or any component of the total fee calculated under section 4 of the FOIA, including any deposit.

If a requestor believes that the fee charged by Lee Township to process a FOIA request exceeds the amount permitted by state law or under this policy, he or she must first appeal to the Township Board by submitting a written appeal for a fee reduction to the Township Board (*or FOIA Coordinator*).

The appeal must be in writing, specifically state the word "appeal" and identify how the required fee exceeds the amount permitted. Lee Township's FOIA Appeal Form (To Appeal an Excess Fee) may be used.

The Township Board is not considered to have received a written appeal until the first regularly scheduled Township Board meeting following submission of the written appeal.

Within 10 business days after receiving the appeal, the Township Board will respond in writing by:

- Waiving the fee;
- Reducing the fee and issuing a written determination indicating the specific basis that supports the remaining fee;
- Upholding the fee and issuing a written determination indicating the specific basis that supports the required fee; or
- Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Township Board will respond to the written appeal. The Township Board shall not issue more than 1 notice of extension for a particular written appeal.

Where the Township Board reduces or upholds the fee, the determination must include a certification from the Township Board that the statements in the determination are accurate and that the reduced fee amount complies with its publicly available procedures and guidelines and Section 4 of the FOIA.

Within 45 days after receiving notice of the Township Board's determination of an appeal, the requesting person may commence a civil action in Midland County Circuit Court for a fee reduction.

If a civil action is commenced against Lee Township for an excess fee, Lee Township is not obligated to complete the processing of the written request for the public record at issue until the court resolves the fee dispute.

An action shall not be filed in circuit court unless **one** of the following applies:

- Lee Township does not provide for appeals of fees,
- The Township Board failed to respond to a written appeal as required, or
- The Township Board issued a determination to a written appeal.

If a court determines that Lee Township required a fee that exceeds the amount permitted under its publicly available procedures and guidelines or Section 4 of the FOIA, the court shall reduce the fee to a permissible amount. Failure to comply with an order of the court may be punished as contempt of court.

If the requesting person prevails in court by receiving a reduction of 50% or more of the total fee, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages.

If the court determines that Lee Township has arbitrarily and capriciously violated the FOIA by charging an excessive fee, the court shall order Lee Township to pay a civil fine of \$500.00, which shall be deposited in the general fund of the state treasury. The court may also award, in addition to any actual or compensatory damages, punitive damages in the amount of \$500.00 to the person seeking the fee reduction. The fine and any damages shall not be assessed against an individual but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

### **Section 10: Conflict with Prior FOIA Policies and Procedures; Effective Date**

To the extent that these Procedures and Guidelines conflict with previous FOIA policies promulgated by the Township Board or Lee Township, these Procedures and Guidelines are controlling. To the extent that any administrative rule promulgated by Lee Township subsequent to the adoption of this resolution is found to be in conflict with any previous policy promulgated by the Township Board or Lee Township, the administrative rule promulgated by the FOIA Coordinator is controlling.

To the extent that any provision of these Procedures and Guidelines or any administrative rule promulgated by the FOIA Coordinator pertaining to the release of public records is found to be in conflict with any State statute, the applicable statute shall control. The FOIA Coordinator is authorized to modify this policy and all previous policies adopted by the Township Board or Lee Township, and to adopt such administrative rules as he or she may deem necessary, to facilitate the legal review and processing of requests for public records made pursuant to Michigan's FOIA statute, provided that such modifications and rules are consistent with State law. The FOIA Coordinator shall inform the Township Board of any change within these Policies and Guidelines.

These FOIA Policies and Guidelines become effective: **January 17, 2022**
