Attendees: Kali List, Mark List, Jamie Jerry, Molly Schwartz

Pledge

May Minutes were reviewed and Motion to approve by Mark and second by Kali

Mark will ask the Lee Township Board if they have a login for Michigan Natural Resources to explore another grant opportunity. Molly found some information on the DNR site but we need to have a login.

We do have a login for Consumers Energy to pursue looking into the grant opportunity for lighting at the park, computer issues caused us to have to set this a priority at the July meeting, at that time the Grant committee will review what information is needed to apply and compose letter.

Grant committee received an email from Heidi, it was a website designed for a Michigan park that is ADA friendly. It is called Michigan Play. This website will be helpful with ideas to make Lee Township Park ADA friendly also. Kali will approach that Board to see if the Township can add the park to the Township website to get the word out that we are improving our park and that there is space for all abilities.
