New Business

Letter was received from Eagle that our application was acknowledged for the tire clean up. Waiting for the approval letter. Date for the tire drive will still be June 28th and it will be first come first serve until the trailer is full.

Mark will look into the information needed to apply for a TAP grant for signage for park, hall, cemetery . Kali will look into the information needed to be able to put signs on M20. Possible placement of the sign could be the empty parcel on M20, Molly will reach out to Jason at MDOT to find out steps and guidelines for signage.

Old Business

The Grant Committee is working on stacking grants from the Gerstacker and Strostacker for the New Fire truck, Mark will reach out to them to get the requirements and opening dates to apply for the grants. The letters have already been composed and are ready to submit. Mark will submit the applications if it is time to do so.

Hastings Fema Grant is still pending

The Spring carnival was great.
