

Grant Committee Minutes July 7th 2025

Meeting called to order at 7:03p.m.

June minutes reviewed, a motion to approve minutes by Molly, seconded by Michelle

Old Business

Fire Truck Grant through Gerstacker and Strostacker is on hold until the board has the F65 financial forms complete, the board is waiting for this to be resolved through the auditors. No grants can be applied for until this is resolved.

Tornado Warning sirens - There are no zoning stipulations on the size or placement, Mark is going to reach out to the fire chief to see if he has any experience/ or knowledge of who would activate and maintain sirens. As he may have knowledge coming from the city of Midland.

Kayak launch - Midland County came back with, the township can not put in the launch but Midland county parks and recques can. Deb Reiber is going to keep up with them to put a launch in.

New Business

Grant committee members are researching how to get estimates, potential placement/placements of Tornado sirens, as well as researching grants that can be obtained.

Mark will reach out to the board to see if they will match a grant for the Tornado sirens if needed.
